

Bird Alliance of Central Indiana Volunteers - Communications Team

The BACI **Communications Team** is for birdy creatives. These roles are remote and done on your own time; write articles or share your favorite photos to be published. BACI credits all writers and photographers.

As a Communications Team member, you get an artistic outlet that lets you bring bird joy and urgent conservation news to a large metropolitan readership through media.

Editor: Olivia Bautch falcon_515@outlook.com (715) 495-3904

Feature Article Writer

Description: Tell the stories of birds, birders, and conservation issues in Central Indiana.
